Proposal for Competition: Development of a Global Engagement & Partnerships Office (GEPO) Website

Organized by: JIS Global Engagement & Partnerships Office (GEPO)
Objective: Development of a fully functional website for JIS Group's Global Engagement and Partnership initiatives.

Overview

This competition aims to engage the talented students of JIS Group in creating an innovative and fully functional website for the Global Engagement & Partnerships Office (GEPO). The website will act as a platform to manage and promote international collaborations, exchange programs, and partnerships. It will serve as a hub for information on global initiatives, events, and resources available to students, faculty, and international partners.

Key Features of the Website

1. **Home Page:**

   o Header: JIS Logo, Navigation Bar with sections like About Us, Global Partnerships, Programs & Initiatives, Resources & Support, News & Events, and Contact Us.

   o Hero Section:

     ▪ Introduction to GEPO: "Your Gateway to Global Collaboration and International Opportunities."

     ▪ High-quality visuals showcasing partnerships, exchange programs, and events.

     ▪ Call-to-action buttons like "Partner with Us," "Join a Program," and "Contact Us."

   o Quick Links:

     ▪ Study Abroad Programs, International Admissions, Faculty Exchange Programs, Research Collaborations, Upcoming International Events.

2. **About Us Section:**

   o Vision, Mission, and Objectives of GEPO.

   o Leadership Team profiles with photos.

   o Organizational Structure displayed visually.

   o FAQs about GEPO.

3. **Global Partnerships Section:**

   o Interactive Map of Global Partners (universities, research institutes, corporates).

   o Success Stories highlighting impactful collaborations.

   o Partnership Inquiry Form for prospective partners.

   o Guidelines for establishing new partnerships.

4. **Programs & Initiatives Section:**

   o **Study Abroad Programs:** Information on partner universities, scholarships, application process, and FAQs.

   o **Faculty & Research Exchange:** Opportunities for teaching and research collaborations.

   o **Short-term Study Tours:** Details on summer and winter international programs.

   o **Internships & Work Placements:** Opportunities for students with global partners.

5. **Resources & Support Section:**

   o Student Resources: Visa guidance, financial aid, cultural integration, and health services.

   o Faculty Resources: Grants, proposal writing assistance, and institutional support.

   o International Guidelines: Travel advisories, immigration policies, and cultural exchange tips.

   o Downloadable PDFs: Forms, brochures, and policy documents.

6. **Events & News Section:**

   o Calendar of International Events, Conferences, and Webinars.

   o Latest News: Collaborations, scholarships, achievements.

   o Photo and Video Galleries showcasing past events.

   o Social Media Feed: Twitter, LinkedIn, and Facebook integration.

7. **Contact & Support Section:**

   o Office Address, Email, and Phone Numbers.

   o Live Chat Support for immediate assistance.

   o Inquiry Form for students, faculty, and prospective partners.

8. **User Registration and Authentication:**

   o Secure login system for students, faculty, and international partners.

   o Role-based access to relevant sections and resources.

9. **Admin Portal:**

   o Tools for managing partnerships, programs, and events.

   o Dashboard for monitoring collaborations, applications, and reports.

   o Features for approving/rejecting applications and generating insights.

Technology Stack

- **Frontend:** HTML, CSS, JavaScript

- **Backend:** PHP

- **Database:** MySQL

Eligibility Criteria:

1. Students must be enrolled in any institute of the JIS Group.

2. A valid ID card is mandatory for participation.

3. Participants must obtain a Bonafide Certificate from their HOD.

4. Teams can consist of up to 4 members.

Prizes:

- **Winner:** ₹15,000/-

- **Runner-up:** ₹10,000/-

Important Dates:

- **Registration Deadline:** 15th January 2024

- **Website Overview and Guidelines Session:** 17th January 2025

- **Competition Launch:** 18th January 2025

- **Submission Deadline:** 01st February 2025

Submission Guidelines:

1. Submit the completed project along with the source code.

2. Provide a detailed report explaining the functionalities.

3. All deliverables should be submitted via the official GEPO email.

Evaluation Criteria

1. **Functionality and Features (40%)**

   o Adherence to the proposed features and user requirements.

   o Compatibility with different browsers and devices.

2. **Design and Usability (20%)**

   o Aesthetics and user-friendliness of the website.

   o Responsiveness on different devices.

   o Accessibility features for all users.

3. **Technical Excellence (30%)**

   o Efficient use of the specified technology stack.

   o Scalability and security features.

   o Optimization for performance and speed.

4. **Documentation (10%)**

   o Clarity and thoroughness of the project report.

   o Explanation of the code structure and functionality.
